**Hearing Schedule**

Dear Counsel:

I am writing to you on behalf of the Alberta Energy Regulator (AER) panel of hearing commissioners (the panel) assigned to the above-noted regulatory appeal.

The panel has reviewed the correspondence regarding the process and scheduling matters raised by ISH Energy Ltd. (ISH) in its July 09, 2020, letter to the panel and the respective reply comments dated July 10, 2020 and July 13, 2020, from Canadian Natural Resources Limited (Canadian Natural) and ISH.

The panel has determined a revised hearing schedule would be fair and reasonable in light of the above submissions.

**Hearing Schedule**

The hearing schedule as outlined by the panel in its letter dated April 30, 2020 has been revised to the following:

July 24, 2020	Last day for Information Request (IR) exchange between Canadian Natural and ISH
August 14, 2020	Last day for IR responses between Canadian Natural and ISH

September 11, 2020	Joint Submission, if any, from Canadian Natural and ISH
September 25, 2020	Final Reply Submission from ISH
Proposed dates: October 13, 2020 to October 16, 2020*	Hearing by Electronic Format

\*Note that these are the earliest dates the panel and supporting staff are able to convene after the first and second weeks of September. The next available dates would be in November 2020.

Please note that the panel may request further information from the parties throughout the process. Parties will be expected to submit a written response no later than two weeks after the date of the request unless the panel directs otherwise.

All submissions must be submitted to [hearing.services@aer.ca](mailto:hearing.services@aer.ca) **by noon on the stated date**. Submissions should be in PDF format, page numbered to match the PDF page number, bookmarked, and searchable (optical character recognition). Submissions must meet the requirements of section 9.2(2) of the *Rules*.

Please confirm your availability for the dates for the electronic hearing proposed above in writing to [hearing.services@aer.ca](mailto:hearing.services@aer.ca) **by noon July 17, 2020**.
